Christmas Bags for Haiti

Delivering smiles to Haiti since 2002

Jesus said...

"Suffer the little children come unto me, and forbid them not: for of such is the kingdom of God.

And He took them up in His arms, put His hands upon them, and blessed them.

Mark 10:14, 16

IT'S SO EASY

FIND a plastic bag. Something fun, or just a regular grocery bag works.

FILL your bag with the items from the "shopping list."

MARK your bag for a boy or girl and the age range (G+, G-, B+, B- to indicate the gender and older or younger)

PRAY for the child who will receive your gift.

With your help, in 2018

12,021 Christmas Bags were distributed to 36 pastors and partners in Haiti. These 12,021 smiles were then passed out to kids in schools, orphanages, villages, churches, and even on the streets.

Thank you to all of the amazing volunteers who come to Indiana from other parts of the state, Ohio, and even as far away as Alabama to help load the containers. You are a blessing!!

Did you know ...

Each year, between 4 and 6 shipping containers are sent from Indiana to Haiti?

These containers hold corn, rice meals, oatmeal, peanut butter, powdered milk, Scriptures, tracts, school supplies, clothes, shoes, sewing machines, furniture, mattresses, buckets, toys, hygiene items, and of course Christmas Bags.

With transportation fees in both countries, fees for customs, and the cost of the items that aren't donated, each container costs between \$12,000 and \$15,000 to send.

Believe it or not, this is actually more cost-effective than purchasing items in Haiti...when they can be found.

Thank you for sending smiles to Haiti every year in the form of Christmas Bags!

Will you prayerfully consider becoming a monthly partner, and help ship containers all year long?
